EXPERIENCES

AYDINLI GROUP

Business Intelligence and
Reporting/ Information
Technology Department
01/07/2025-01/08/2025

During my compulsory internship, I performed data querying using SQL and T-SQL, and created visualized reports with Power BI. I gained hands-on experience in the fields of business intelligence and reporting. I am eager to learn, have an analytical mindset, and a solution-oriented approach.

VARSAFF INC

Information Technologies,
Web Design
01/06/2024-01/09/2025

I worked at Varsapp and improved my web design skills. I helped design easy-to-use websites. I also used Google Analytics to see how people use the website. This helped me learn more about design and data.
